- A5 size booklet with extra information
- More than 150 points to touch with the Pen

FAQs:

How to hold the detachable parts on the body?

The detachable parts use small magnets to attach to the body base.

Is there any interaction between the body and the book?

Yes, when playing with the book, the user will have the opportunity to play some activities that require him to touch the different parts of the body to answer questions.

Is there different levels of learning in the games?

Yes, it is possible for the parents to choose the appropriate content for their kid. Depending on the chosen level, the content that will be played will be slightly different and adapted to the kid's age.

How many players can play simultaneously to the games?

Up to 4 players can play simultaneously to the games (doesn't apply to all activities).

Box Contents:

- Anatomy model
- Smart Pen with AAA batteries included
- 16 detachable parts
- USB cable
